Locations

Registration and the welcome will be held in Alumni Hall, a room on the second floor of Randolph Hall. The Cistern Yard is the enclosed, treed square in front of Randolph Hall. Workshops will be held in various classrooms on campus in Randolph Hall, Maybank Hall, the Robert Scott Small Building (RSS), the BellSouth Building, and the School of Science and Math Building (SSMB). Members of CofC Classics Club will be stationed around campus between sessions to guide you. You can also check the College of Charleston campus maps: Randolph Hall is #44, Maybank Hall is #26, the Robert Scott Small Building is #23, the BellSouth Building is #8, and the School of Science and Math Building is is #11.

A hospitality room for teachers and chaperones, with coffee, donuts, and other goodies, will be available in Randolph Hall 301B.
